

HCV Cancer Alliance Programme Update to Stakeholders – 20 October 2017

As part of the Programme Communications and Stakeholder Engagement Strategy the programme team is keen on keeping the stakeholders in the system well informed on the latest developments. We will do this by sending brief updates systematically to all those involved in delivering the best possible care in cancer services within the Alliance footprint.

This week the programme has:

- Updated news and information in the Cancer Alliance website <http://humbercoastandvale.org.uk/how/better-cancer-care/>
- Continued discussions with stakeholders about the role of the HCV Cancer Alliance, which will involve further discussions about Terms of Reference for the Programme Board
- Continued the production of detailed programme plans
- Continued to monitor and support the delivery of the 62 day waiting standard
- Organised and delivered the Local Digital Roadmap Workshop ---Living with and Beyond Cancer on 13 October 2017
- Organised the Improving Lung Cancer Stakeholder Event to take place on 1st December 2017 which will involve patients, commissioners and clinicians as part of our Early Diagnosis work stream
- Presented the work of the HCV Cancer Alliance to NHS North Region colleagues in Leeds
- Agreed with Macmillan to put together a bid to support the Living With and Beyond Cancer work stream, including through the creation of two new roles
- Engaged with stakeholders for the launch of the System Performance Assurance and Monitoring (SPAM) Group
- Next stakeholder updates will be on:
 - Friday 27 October 2017
 - Friday 03 November 2017
