

HCV Cancer Alliance Programme Update to Stakeholders – 17 November 2017

As part of the Programme Communications and Stakeholder Engagement Strategy the programme team is keen on keeping the stakeholders in the system well informed on the latest developments. - Attended the Quarterly Assurance and Performance monitoring meeting with NHSE and NHSI on 15th November 2017
- Had the Hull Locality Group meeting in which we discussed the role of the group with Terms of Reference and future links within the Cancer Alliance governance
- Agreed commissioning representation at the System Board
- Agreed to develop the cancer dashboard for the next Programme Executive meeting on the 1st December 2017
- Agreed weekly meetings with NHS England and NHS Improvement to ensure a joined up approach to how we will work together with providers;
