learners / intake

Become recruitment  
ready for  
Apprenticeships

Providing Healthcare support staff with a flexible approach to gaining core qualifications needed for professional and career development. This FREE offer aims to:

- Introduce a unique and innovative alternative provider of Nationally recognised qualifications where course delivery fits around you i.e. shift patterns etc.
- Help you become recruitment ready for career development opportunities
- 30% higher than the National average with a 90% success rate since online mode of delivery for AEB funded Qualifications was introduced across the 17/18 academic year
- Widening participation in completing pre-requisite qualifications in Maths & English through offering a provision accessible by a higher volume of staff with new intakes starting monthly!

**Enter your details into the following online expressions of interest form to start your journey  
to gaining your Level 2 Qualifications!**

*Online expression of interest link customised to NHS Employer will be listed here  
e.g. <https://jm1qual.com/eoi/>*
